

2008-09 BOYS ACADEMIC STATE CHAMPIONS

1. A school or a coach can nominate their team by sending in a tournament roster with the PERCENTILE RANK for each player. You do not have to list each player's name, just the PERCENTILE RANK on the form.
2. This system is being used because of the different grading systems used by various schools. The Academic State Champions will be determined by a class rank system.
3. Record the accumulative class rank for your 15 tournament rostered players. Average those 15 to two decimal places.
4. Example:

Player #1:	class standing 7th of 432:	$(432 - 6) / 432 = 98.61\%$
Player #2:	class standing 18th of 385:	$(385 - 17) / 385 = 95.58\%$
Player #3:	class standing 81st of 432:	$(432 - 80) / 432 = 81.48\%$
Player #4:	class standing 4th of 350:	$(350 - 3) / 350 = 99.14\%$
Player #5:	class standing 1st of 432:	$(432 - 0) / 432 = 100\%$
5. When all 15 have been computed, add the 15 percentiles together and divide the total by 15. Example with 5 players: $(98.61 + 95.58 + 81.48 + 99.14 + 100) / 5 = 94.96\%$
6. Percentile rank on the form must be for ALL players off your official tournament roster. You do not need to list the player's name on the form, only the percentile rank.
7. Deadline for Subsection and Section qualifiers will be February 27, 2010.
8. Coach must be a member of the MBCA to have his team qualify for an award.
9. Nominations should be sent to **Ted Critchley; Blaine High School, 12555 University Avenue, Blaine, MN 55434 by no later than February 27, 2010.**
10. Eight Regional winners for A, AA, AAA, and AAAA.
11. Academic state champions will be announced during the state tournament via a press release and will receive awards from the Minnesota State High School Coaches Association.
