

Greetings Coaches!

ShipShape Products is glad to again offer Billboard Ski Bags to area skiers. ShipShape is a small marine canvas and upholstery shop located in Duluth, Minnesota. Using recycled billboard materials we are creating unique, one of a kind ski bags. Each bag has it's own unique graphic art in a wide array of colors and designs. It is also possible to find billboards with school colors! You can do your part to reduce-reuse-recycle all while keeping your skis, boots, poles, and other miscellaneous equipment neat, tidy and easy to carry!

Attached is an order form that can be filled out and faxed to place your order. We discount the cost for orders of 10 or more bags. This season we offer two different styles. The standard version includes a double stitched marine grade zipper and heavy duty carrying straps. The deluxe version adds chafe guards at the bag ends with vents, strap keepers, and a zippered inside pocket, perfect for keeping wax, spare socks, etc.

ShipShape is donating two bags to the Minnesota State High School Coaches meeting. We applaud the dedication and commitment of Minnesota coaches as they support our youth in a terrific sport!
